

MERSTONE SCHOOL

HOME-SCHOOL AGREEMENT

This agreement is designed to promote partnership between your home and school.

HOME AND SCHOOL WILL:-

- Have high expectations of the pupils at all times
- Foster positive relationships through informal and formal contact
- Make full use of Home-School diaries as one form of communication
- Liaise in order to ensure continuity of managing pupils' behaviour
- Keep the pupil safe
- Feed back information from any other professionals involved with the Pupil

MERSTONE SCHOOL ACKNOWLEDGES THE IMPORTANCE OF LIAISING WITH PARENTS AND SO WILL:-

- Encourage pupils to do their best at all times and to expect high standards of work and behaviour
- Create a safe, happy and challenging learning environment for pupils, allowing them to achieve their full potential
- Be sympathetic to the many and varied needs of our pupils
- Provide regular assessments and report to families through annual reviews and end of year reports
- Inform parents of pupils' targets and topics for the term
- Hold regular parents evenings
- Provide opportunities for parent groups to meet

- Inform parents if there are any concerns relating to a pupil's Learning, behaviour or health
- Keep families informed of all school activities through letters and newsletters

AS PARENTS, WE ACKNOWLEDGE THE COMMITMENT AND CONCERN SHOWN TO OUR CHILDREN AND WILL SUPPORT THE SCHOOL BY:-

- Praising our son/daughter and acknowledging his/her achievements in all areas
- Where appropriate following through educational programmes at Home
- Attending reviews, parents' evenings and any other important meetings about our child or the school
- Ensuring that our son/daughter regularly attends school and contacting school to explain any absences
- Ensuring that the school always has a means of contacting the family in cases of real need
- Ensuring that before sending our child to school he/she is fit and well and with appropriate clothing for the school activities of that day
- Keep the pupil safe including safe use of computers and other Technology. We will not allow the pupil to access social networking sites before the age of 13 and when they do we will support them to ensure the security settings are set to keep them safe from unknown people accessing their information
- Informing school of any problems/concerns at home which may affect learning and behaviour

We fully support this agreement
